THE VINTAGE

The 2018 growing season was near perfect. It began with mild spring weather and temperatures throughout Napa remained steady and warm during the majority of summer and fall growing season. The resulting wines are incredibly smooth and polished, with magnificent texture and color.

TASTING NOTES

Our 2018 Vineyard 29 Vintner Collection wine offers fragrant violet and perfumed aromas with cocoa powder, chocolate covered blueberries and crème de cassis on the nose. Full bodied, mouth-watering acidity, a touch of fresh tobacco leaf, hints of wet slate, and a dark blue and black fruit-driven profile fill out the mid-palate and lead to juicy, supple, fine grain tannins and a long, drawn out finish.

BARREL AGING Aged 22 months in 67% new, 33% once used thin stave, tight grain French oak barrels.

ALCOHOL 14.8%
