The Soscol Gap - connecting from Third and Soscol to Vallejo Street back onto the Vine Trail: From Third Street, if you are riding a bike you can either walk your bike or ride on the Class II bike lanes along Soscol Avenue to McKinstry Street and then rejoin the Vine Trail at Vallejo Street. Alternatively, you can walk to the Northwest corner of First Street and Soscol and take the sidewalk to Vallejo Street.

When you reach the end of the Commuter Path, you will take a right onto the Class II bike lane on Solano Ave. At the light, you will cross Trancas Street and will pick up the Vine Trail at the south end of the Park & Ride lot.
