THE VINTAGE

The 2019 vintage began with a wet spring bringing three inches of rain in May. In response to the late rains, our vineyards received diligent attention to control vigorous vine growth. A long Indian summer followed with mild weather, allowing the fruit to ripen. The long picking windows bore fruit with beautiful freshness at optimal ripeness. The resulting wines are exceptionally elegant.

TASTING NOTES

This 2019 *Whitehall Lane* Cabernet Sauvignon is a classic offering with enticing aromas of blackberry, cassis and toasted croissant. This bold wine is full-bodied with long, plush tannins and flavors of rich blue and black fruits, vanillin and cedar. It's beautifully balanced with ample fruit and a long finish.
