TASTING NOTES

Our 2021 Gemstone Vineyard Vintner Collection Cabernet Sauvignon showcases our finest vineyard blocks and diverse clonal selection from our Yountville Estate. A true expression of our unique site, the wine is powerful and voluptuous, with notes of cassis, blackberry, mocha, dark chocolate and tobacco. Full-bodied, the palate delivers fine-grained, silky tannins with a vibrant finish.

THE VINTAGE

The grapes were hand-harvested, double-sorted, and cold-soaked in stainless steel for a week before beginning whole berry fermentation for 18 days. The wine went through secondary fermentation in French oak barrels, assuring a balanced integration of fruit and oak. Barrel aged for 20 months in 80% new French oak from esteemed French cooperages including Baron, Darnajou, and Taransaud. Bottled unfiltered and unfined.

FERMENTATION 100% barrel fermented

BARREL AGING 20 months in 80% New French Oak

ALCOHOL 14.7%
